Do you remember, the 21st night of September
Love was changing the minds,
Pretenders while chasing the clouds away

Our hearts were ringing
In the key that our souls were singing
As we danced in the night
Remember how the stars stole the night away

Ba de ya - say do you remember
Ba de ya - dancing in September
Ba de ya - never was a cloudy day . . .

... My thoughts are with you
Holding hands with your heart to see you
Only blue talk and love
Remember how we knew love was here to stay

Now December, found the love
We shared in September
Only blue talk and love
Remember the true love we share today

Ba de ya - say do you remember
Ba de ya - dancing in September
Ba de ya - golden dreams were shiny days

Earth, Wind & Fire

When you're down and troubled
And you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running
To see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, Yes I will
You've got a friend.

If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knockin' at your door . . .

... Now ain't it good to know
That you've got a friend
When people can be so cold
They'll hurt you, yes and desert you
And take your soul if you let them
Oh, but you don't let them

You just call out my name
And you know wherever I am
I'll come running
To see you again
Winter, Spring, Summer or Fall
All you have to do is call
And I'll be there, Yes I will
You've got a friend.

Carole King

You know I love that organic cooking
I'll always ask for more.
You know they call me Mr. Natural
On down to the health food store.

I only eat good sea salt
While sugar don't touch my lips,
And my friends are always bugging me
To take them on Macro body trips.
Yes they are.

Oh but at night I take out my strong box
That I keep under lock and key
And I take it off to my closet
Where nobody else can see.

I open that door so slowly,
Take a peek up north and south
Then I pull out a Hostess Twinkie
And pop it in my mouth

Oh, yea in the daytime I'm Mr. Natural
As healthy as can be,
But at night I'm a Junk Food Junkie
Good Lord have pity on me.

Larry Groce

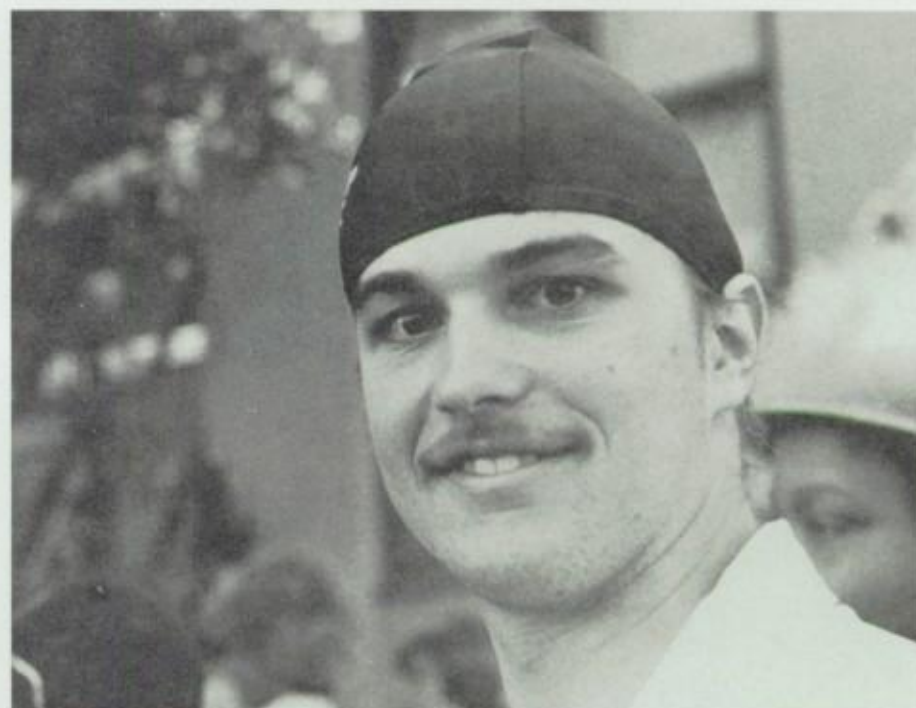

When some loud bragger tries to put me down and says his school is great, I tell him right away - now what's a matter buddy, ain't you heard of my school? It's number one in the state.

So be true to your school now, just like you would to your girls, guys, be true to your school, let your colors fly. Be true to your school.

I got a letterman's jacket with a letter on front I got from football and track. I'm proud to wear it now with high schools around the other parts of the town, I've got a (decal) on back.

On Friday we'll be tackling around the football game, and I'll be ready to fight. We're gonna smash 'em. Now my girl will be a working on her pompoms now, and she'll be yelling tonight.

So be true to your school now, just like you would to your girls, guys, be true to your school, let your colors fly. Be true to your school.

Up in Smoke

My mama talkin' to me trying to tell me how to live,
dada dun dada dun dunt dunt dunt!
But I don't listen to her cause my head is like a sieve.
dada dun dada dun dada dun dunt dunt dunt!
My daddy, he disowned me cause I wear my sisters' clothes
dada dun dada dun dunt dunt dunt!
He caught me in the bathroom with a pair of pantyhose.
dada dun dada dun dunt dunt dunt!
My basketball coach, he done kicked me off the team,
dada dun dada dun dunt dunt dunt!
For wearing high heeled sneakers and acting like a queen.
dada dun dada dun dunt dunt dunt!
The world's comin' to an end, I don't even care,

IV Champions

With only 12 returning players from the 1977-78 Championship team, there was some question how this year's team would do. It didn't take long for them to show the rest of the league they would be a team to be reckoned with.

They won their first 6 games in a row before losing to Seaside. They then went on to finish regular season play with a record of 8 wins and one loss.

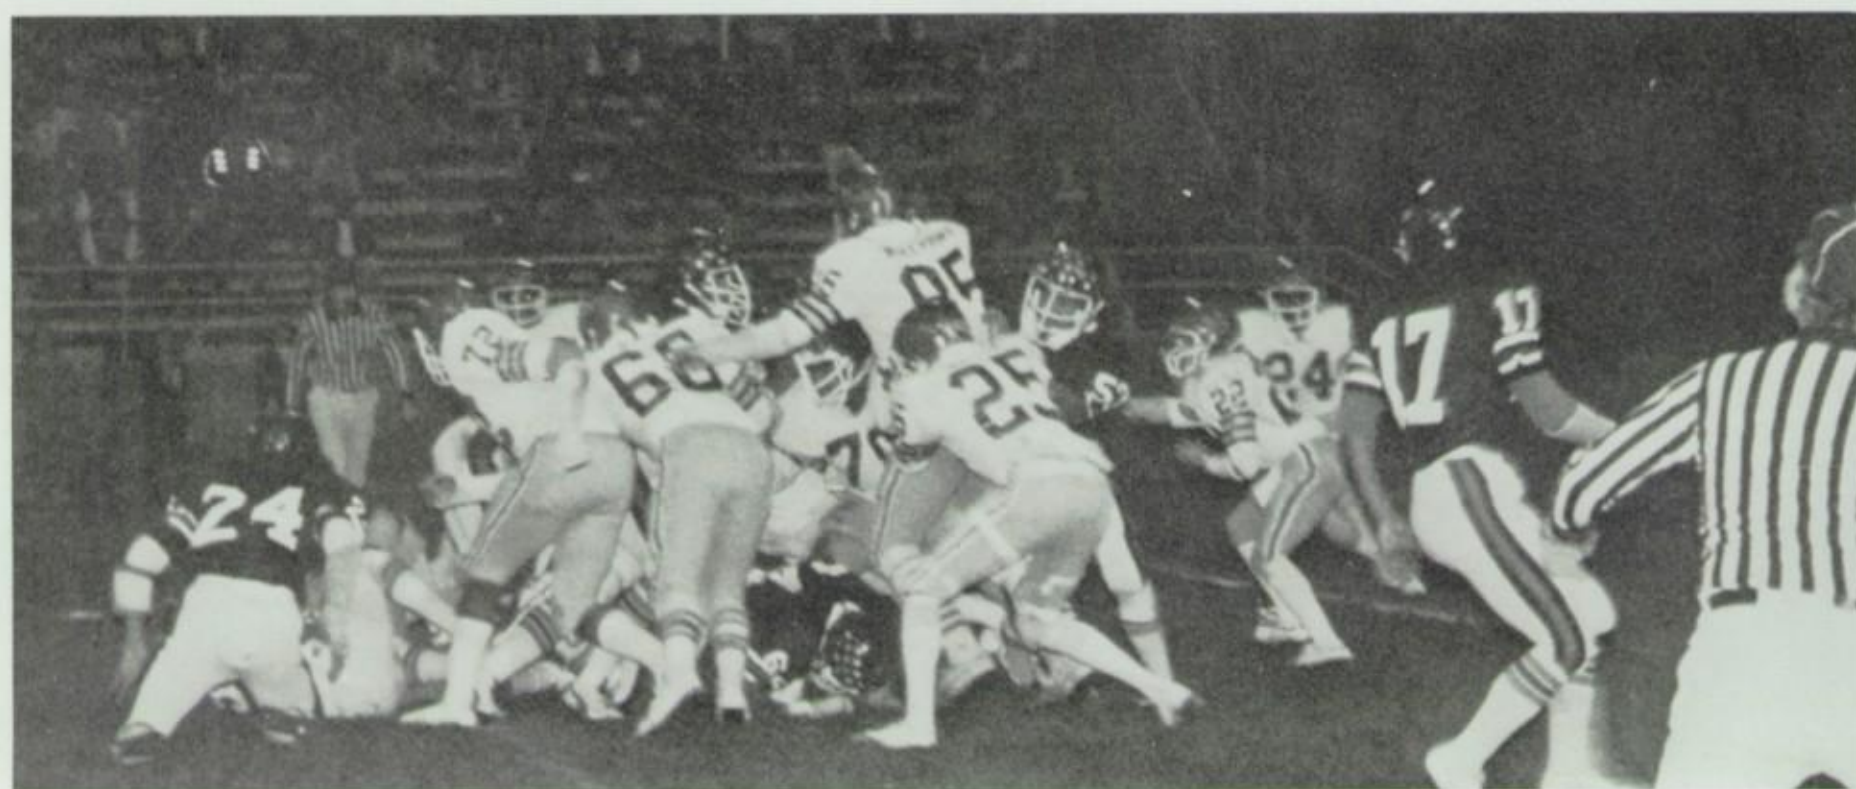

The 1978-79 Varsity team was then selected to be the at-large team in the CCS Region IV play-offs.

In their first Region IV Championship game they blasted Aptos High, the winner of the Santa Cruz County League by a score of 36 to 12. This set up the rematch for the Region IV Championship with Seaside. This was THE football game of the year. Monterey found themselves behind 14 to 0 at half-time. But showing the kind of character real Champions are made of they came from behind to beat Seaside 16 to 14 and win the Region IV Championship. This was arch-rival Seaside's only loss of the season.

This team will always be remembered by MHS fans as one of the best of a long line of great teams. They enjoyed each other; they loved the game of football.

The secret of the 1978-79 team was togetherness. In the true sense of the word they were a "team".

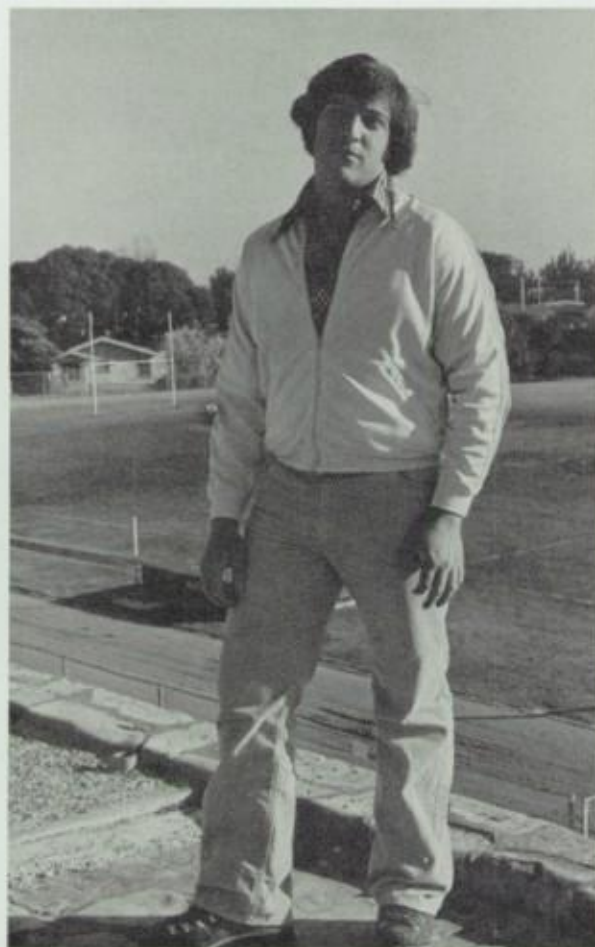

In the Central Coast Section there are 112 teams. Monterey ended the season ranked number 4!

Monterey Sophomores completely dominated the League, as have former Soph teams. Monterey's awesome defense, led by most outstanding lineman John Poma, only gave up 6 points all year. The highlight for the Picadores came late in the season when they held Seaside to a first and goal on their 1 yard line. Monterey's gangster offense, led by John "Dorsett" Hill, most outstanding Back, led Monterey to their 7th straight league title.

The 1978-79 Monterey High School Varsity Basketball team ended the season with 10 wins and 13 losses. The team, from the beginning, was plagued with Varsity inexperience and a late football season which kept five players from coming out until midway through the pre-season. During the league season the Toreadores compiled a record of 3 wins and 7 losses. A disappointing season, but very beneficial from the standpoint of the experience gained by these players returning next year.

Those returning for the 1978-79 season will be Eugene Mitchell, Mark Cummins, Chip Klein, Alex Mason, and Lance Mocny. Those departing are Seniors Mike Aldrete, Robbie Kelly, John Thomas, John Barber, and Juan Scholis. The most outstanding player award this year went to Alex Mason, who also made the All-MBL team as a Junior. Mike Aldrete received the most inspirational award, and Robbie Kelly received the best defensive player award.

From Coach Tarantino a special thanks to all those Seniors who made his first varsity basketball team an enjoyable and rewarding experience.

JUNIOR VARSITY BASKETBALL TEAM

The 1978-79 men's JV Basketball team finished its season third in the MBL with a 6-4 league mark and an overall record of 12-6. The team scored an average of 60 points per game and yielded 54 points per game to its opponents. The Matadores scored their most points against Alisal (80) and largest margin of victory against Seaside. The teams 75-73 victory over Harbor was one of the most exciting games of Coach Randall's career.

Many individuals contributed to the team's success this year. Michael Woodie led the team's scoring with 218 points for 12 points per game, followed by Vincent Brown, Jeff Washington, Ryan McCray, Titus Houston, and William Walker. Vince captured single-game honors with a 28 performance against Alisal. McCray, Woodie and Washington led the team in rebounding, while Houston was the team's leading defensive player.

The only juniors on the team, Woodie, Brown, and Houston were awarded captain's stars for their leadership during the season. Michael Woodie was awarded the Most Valuable Player recognition while Eric McCleskey was named Most Improved Player. Other team members, responsible for its success were Dave Baker, Alfonso Best, Joe Towner, Vince Hernandez, Chuck Vierra, and David Cockrell.

Elaine Viray, soph; Angie Antang, Sr; and Kitty Gleason, Sr., were our fine reserves. Lani White was voted MVP by her teammates and was our leading scorer and rebounder. Elaine Viray was voted the teams "Most Improved" player.

I enjoyed coaching the Girls Varsity and was pleased with the way they performed. The quality of the girls performances is getting better each year and the Varsity should be in contention next year as we have a fine group of players coming back. Coach Hurley, Girls Varsity Basketball

All the girls had good attitudes in practice and during our games. It was very noticeable through the season how much each girl improved in fundamentals and game techniques. Each girl worked very hard to improve herself and her team. We had injuries that kept us from a better winning year. Our season was three wins and nine losses in our league season. As their coach, I am really proud how well these girls improved and played. Karen Strickland was voted by her teammates as the Most Valuable Player and Linda Banks as the Most Improved Player. All in all the MHS girls swim team had a great season!

Monterey High Women's Softball Varsity Team are currently Co- Champions of the Monterey Bay League. Their schedule this year consists of 20 games. The word is quickly spreading that Monterey High has softball POWER!!! Michele Saunders and Karen Smithson were selected all MBL 1978 for Catcher and left field positions respectively. The team is very young, aggressive, and skilled. Their hope for this year is to defend their championship and hopefully make the finals in CCS play-offs.

Most importantly they are a happy group as seen in the above photograph.

This year's Junior Varsity Softball Team has 9 sophomores, 6 juniors, and 3 seniors. The team members and their position are Julie Cropp; outfield; Kathy Davi, first base; Valerie Fantauzzo, second base; Joy Hale, pitcher; Valerie Kidd, shortstop; Pose Lewis, third base; Anne Linkenback, outfield; Alison Poby, pitcher; Shari Russo, outfield; Geralynn Spadaro, second base; Jennifer Stone, first base; Mary Talbert, outfield; Sandy Teirsort, outfield; Melissa Theorny, pitcher; Michelle Waters, third base; Lani White, first base; Sandra Saunders, catcher.

Phyllis Hatch is closing in on her school record in the shot put and will probably set a new discus record before the season ends. Monterey always seems to have a couple outstanding sprinters and jumpers this year is no exception with Tricia Mahoney and Delila Saunders. The 440 relay team composed of Mahoney, Beth Banks, Linda Hansen and Saunders, are winning easily with their outstanding times. Hurdlers Joan Sears, Annette Corpus and Vivian Christobol have shown great improvement with each meet. Quality depth in all events have given this year's team several decisive victories.

The **PINE** is more than an **INN**

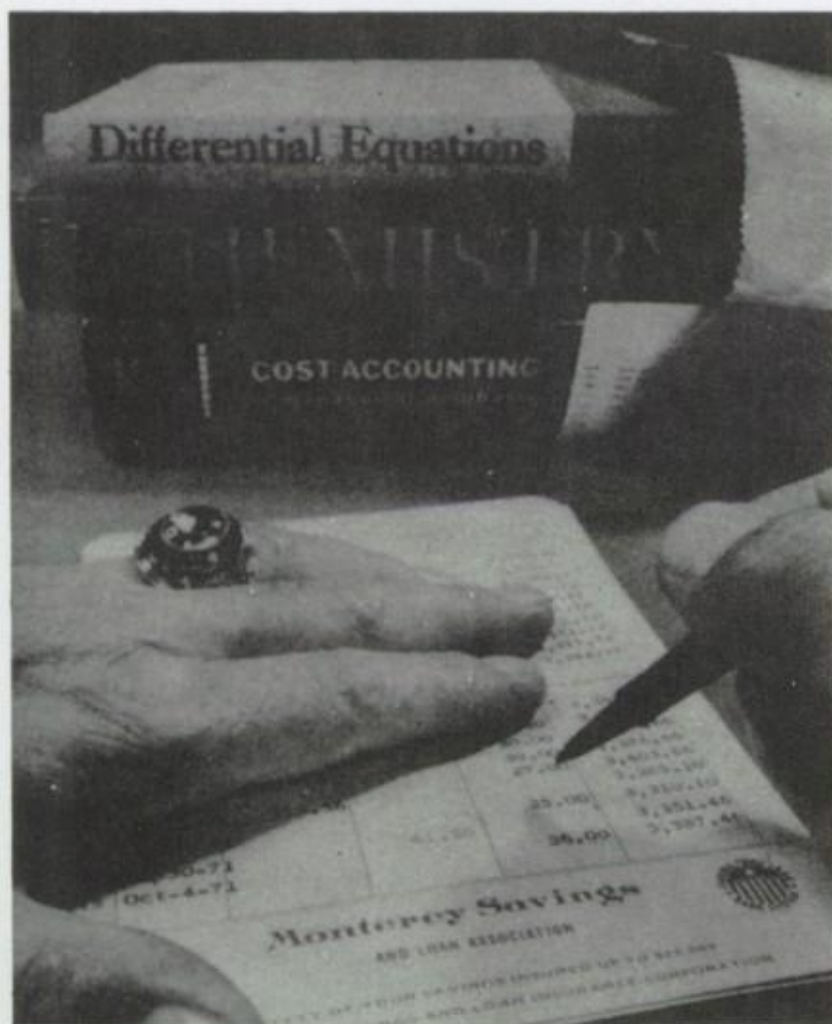

To "Dine at the Pine" is only one of the pleasures that await you at Carmel's historic Pine Inn. Enjoy refreshing libations in the intimacy of the Red Parlor Lounge. Stay for the night, if you like, in the Victorian splendor of a Pine Inn guest room. Enjoy breakfast and lunch, as well as dinner, in the charming Garden Room or the cheerful Gazeboe.

Discover, as you wander thru our flower-bedecked courtyard, that the Pine Inn is a "Little Carmel" in itself, nestled in the heart of the Village. Browse and shop in quality stores where you can find ladies' clothing • men's clothing • art galleries • antiques • gifts • Oriental arts • jewelry.

Stop by — and linger awhile. You'll be glad you did.

Congradgalazion?

Looks Like
We've Made It!

Linda,
Since I'm
the privileged
one who gets to sign
your year book first...
I'm gonna say how glad I
am that I met you. Cause you're
a such a nice and cute and pretty
and (all that other bullshit) girl. Seriously,
we have had some good times ~~being~~ copying
Lundy's exams, going to ~~that~~ that party with my sister
and munching all of the time. Well, schools over now
(isn't that nice!) and here comes summer. We've got
to go camping or something So don't forget to give me a call, I'll
be working, unlike some people I know. Take care of yourself and Dave,
Love you always,
Ellie.
